

# PORCH SWING

## SWEET RED RESERVE

### OVERVIEW

Sweet Red Reserve is as satisfyingly simple as a summer evening breeze. Our classic, sweet Porch Swing Red wine is perfect for unwinding. Best in everyday, impromptu moments — chatting with neighbors and family while the kids play in the yard. Pour a glass and share with your favorite people.

### TASTING NOTES

This easy-to-love Concord wine offers balanced sweetness and brilliant ruby color. Classic, nostalgic flavor is luscious and satisfying but not cloying. Enticing grape aroma. Fruity and semi-sweet with a velvety smooth mouthfeel. Perfectly balanced by a refreshing hint of spritz on the finish.

### WINEMAKING

Concord, a native North American grape species, is grown on a greater variety of soils and under a wider range of climatic conditions than any other American grape variety. Juice from the cool growing regions of the Great Lakes is fermented in stainless steel tanks. Cold fermentation retains the fruit's bright aroma and taste. Immediately following fermentation the now-dry wine is clarified. Additional juice is then added to the wine to provide sweetness and enhance character.

### FOOD PAIRING

An every day, every occasion wine, best served chilled. Sweet Red Reserve complements just about any food, from dinner to dessert. Savory BBQ and summertime grilling fare. Netflix and chill with a glass and some pizza or popcorn. Or, sip while you cook. Hint: Our winemaker adds a little Sweet Red to his tomato sauce to rave reviews.

**ALCOHOL:** 11 %
